APPENDIX B.

General—Resolutions not taken up.

24. This Assembly recommends to Government, that all restrictions now in vogue regarding the conduct of processions of gods, marriage parties, etc., by the Devanga people, in public roads and streets be removed so as to give the Devanga people, in all parts of the State, full right of freedom to conduct their processions without being resisted or obstructed by any other community.

MOVER.—**Mr. C. K. Hutchappa, Devanga Sangha.**

Resolution No. 24.

26. This Assembly recommends to Government—

(i) that in the Primary and the Middle School stages of Educational Institutions no class may have more than twenty-five pupils under a single teacher;

(ii) that no untrained teacher may hereafter be employed for teaching primary and secondary classes; that the present untrained teachers may gradually be replaced by properly trained teachers and that the starting pay of such trained teachers may not be less than Rs. 20 per month;

(iii) that a beginning may at once be made to build, even in cities and towns, cheap and simple school houses to accommodate the ever increasing number of pupils who are in a good many cases now huddled up in small rooms in rented dwelling houses quite unsuited for school purposes.

MOVER.—**Mr. B. Venkatanaranappa, Mysore University Constituency.**
